This rally will be from Monday through Friday due to the popularity of the destination in the Spring. Everyone must call individually for reservations and must tell them that you are part of Country Coach Nor'Easters. You are encouraged to make arrangements as early as possible, particularly if you hope to extend your dates before or after the official rally days.

Call (717) 299-2314 and you must speak with Christine or Diane only for reservation or to cancel!

Additional information on this rally and costs will be posted this winter.

Then look toward Ocean City, Maryland for Spring 2013, then back to Bar Harbor for Fall 2013 to celebrate the Club's 10<sup>th</sup> year Anniversary.
